In accordance with established Butler Board of Education Policy #7510 Use of School Facilities, permission to use the district facilities is granted by the Superintendent on the condition that you and your organization (if applicable) shall indemnify and hold harmless the district, the school, its officers, employees and agents, and each and every one of them, against and from any demand claim, suit, penalty, liability, damage, judgment, loss, cost, expense, fee (including the cost of defense settlement, “reasonable” attorneys’ fees, and expenses) and from all damages of every kind and description (including COVID-19, statutory and Worker’s Compensation liabilities) by reason of the illness, injury or death of any person or persons (including district employees) or by reason of property damage to any property which arise from or in any manner connected to the use of these district facilities by yourself or by your organization. Furthermore, you and your organization agree to abide by all Morris County and State Department of Health guidelines, Executive Orders, and local health mandates with respect to COVID-19, including maintaining social distancing, capacity limits, and required use of personal protective equipment, such as face coverings.
