**DISCOVER NORVIN GREEN'S BEAUTY WITH US**

Join our Teen Hiking Club for a unique opportunity to explore nature, learn valuable hiking skills, and have an unforgettable adventure along the way.

Our local guide, Aya Ciocolu, is a sophomore at Seton Hall who is studying Biology. She has experience hiking recreationally as well as a Girl Scout Troop Leader and a Camp Counselor where hiking was definitely a routine activity. She is also certified in First Aid, BLS & CPR and has worked in the school system where she was trained to work with children. She will be joined by our other local resident, Drew Tanis, who is an avid hiker and a member of Bloomingdale's Search and Rescue Team.
